TECH STACK

About Me

Motivated and enthusiastic Junior Web Developer, Trainee Web Developer, and Frontend Developer with a recently completed Level 5 Diploma in Web Application Development from Code Institute. I am a career changer with a strong background in social housing and property management, bringing over 20 years of professional experience in customer service, problem-solving, communication, teamwork, organisation, and working with digital systems.

Currently, I work as a freelance web developer, building business websites and web applications for clients. My diploma and freelance experience have given me practical skills in HTML, CSS, JavaScript, responsive design, Git, GitHub, debugging, and user requirements analysis. I am seeking an entry-level developer role in an agile environment to further develop my technical skills, gain commercial experience, and contribute to real projects as part of an experienced team.

KEY SKILLS

- User requirements & client analysis
- Responsive design
- debugging & testing
- web application development
- Project management
- Problem solving
- Teamwork & collaboration
- Communication (verbal & written)
- Customer service
- Stakeholder interaction
- Adaptability
- Strong attention to detail
- Digital systems proficiency
- Organised & able to prioritise
- Experience with complex queries & complaints
- Independent & team working
- Reliable & willing to learn
- Career changer

CERTIFICATES

freecodecamp - Responsive Web Design

freecodecamp - JavaScript Algorithms & Data Structures

developers.ai - AI Prompt engineering

SARAH COLLINS

Experience

Freelance Web Developer

Self-employed

2025 - Present

- Delivered 10 websites and web applications for small business clients as a Web Application Developer, handling the full development lifecycle from user requirements to deployment.
- Developed responsive web pages with HTML, CSS, and JavaScript, ensuring optimal user experience across all devices.
- Gathered client requirements and translated business goals into technical specifications and user-centred design solutions.
- Designed user-friendly layouts with clear navigation and mobile compatibility.
- Used Git and GitHub to manage code, track changes, and organise project work, supporting collaboration in an agile environment.
- Conducted cross-browser testing and debugging, resolving 100% of layout inconsistencies and JavaScript errors before client delivery.
- Updated website content, improved page structure and supported clients with practical digital solutions.
- Gained experience managing projects from concept to completion.
- Applied problem-solving and debugging skills to fix bugs, improve user experience, and deliver websites and web applications that meet client needs.

Rent Officer

Regenda Housing

2022 - 2025

- Managed rent accounts and collected payments accurately and on time.
- Resolved rent arrears and set up repayment plans with tenants.
- Produced rent collection reports and maintained records in housing systems.
- Worked with teams and agencies to support tenancies.
- Attended court hearings regarding rent arrears.

SARAH COLLINS

Experience

Senior Customer Service Advisor

Regenda Housing

2017 - 2022

- Handled escalated resident queries and complaints.
- Supervised and supported junior staff.
- Coordinated with teams to resolve resident issues.
- Improved service delivery and resident satisfaction.
- Followed GDPR, safeguarding and confidentiality procedures when handling sensitive information.
- Improved service delivery and resident satisfaction.
- Prioritized workload in a busy contact center environment while maintaining excellent service.

Customer Service Advisor

Northern Counties Housing

2014 - 2017

- Supported tenants with enquiries about tenancy, repairs, and rent.
- Maintained records and processed tenant applications.
- Used CRM and housing systems to manage cases.
- Collaborated with colleagues and partner agencies to deliver effective outcomes for residents.

Property Manger

Camelot Property Management

2009 - 2014

- Managed a portfolio of residential properties, acting as the main point of contact for tenants and landlords.
- Coordinated property maintenance, inspections, and compliance with health and safety regulations.
- Conducted viewings, prepared tenancy agreements, and facilitated smooth move-in/move-out processes.
- Monitored rent payments, handled deposit returns, and resolved tenancy disputes professionally.
